## TOURING & TENTS

# I

Those visiting Mill Farm Leisure near Skegness, Lincolnshire with their own caravans, Motorhomes or other camping vehicles will be delighted to find an ADULT ONLY touring caravan site in a secluded and tranquil location, overlooking a private fishing lake. Our pitches are capable of hosting the largest RV/Motor homes and consist of part hard standing and part grass for your awnings. All pitches have their own electric and fresh water hook up point and all also have the benefit of free Wi Fi internet access!

We take great pride in providing our guests with a "get away from it all" style of touring caravan park and having only 5 caravan pitches available allows everyone to relax and take in the beautiful countryside in peaceful surroundings with little or nothing to distract them. Each pitch is level & separated by trees with their own grass area and picnic bench so you have your own private space and are not back to back with neighbours.

Our pitch prices are all inclusive, we do not charge extra for awnings, electric, Wi Fi, pets (Max 2 per pitch) or use of the showers so the price per night does not change! During your stay why not make use of our 1 acre fishing lake which is well stocked with Carp, Tench, Roach & Rudd making us the ideal location for a fishing break. Please see our fishing page for more detailed information.

Our toilet and shower facilities have been constructed to a high standard with disabled access and includes Toilet, Shower & basin with wall mounted mirror. It is heated all year round.

Whether you want to unwind or use us as a base for a walking, fishing or cycling break everything you need is right here.
